False Report

Manchester Police have arrested and charged a city man with one count of False Reports to Law Enforcement in connection with an incident in March.

On March 17, 2022, Manchester Police responded to the area of 1001 Elm St for a report of an assault. The alleged victim told police he had been stabbed by an unknown assailant. Police shut down the area for several hours as they investigated.

Through the course of the investigation, police determined that the reporting party, 41-year-old Randall Morse was not being honest and the statement he gave police was untrue. Morse was charged accordingly.

Morse was released on PR bail and has a court hearing scheduled for June 3, 2022.
